

# Accessibility Resources for People with Visual Impairments

**Apps are empowering people with visual impairments in ways we could once only dream of. They read text on the go, identify people, products, places, turn cameras into magnifiers, summon live help, and light the way.**

## **Speaker:**

### **Dorrie Rush**

Accessibility Expert and Writer for OphthalmicEdge.org; Formerly the Director of Accessible Technology at Lighthouse International

**This FREE event has limited seating! Please register at: (212) 702-7420 or: [meethaccessibility.eventbrite.com](http://meethaccessibility.eventbrite.com)**
